Our Collective Values

Be Inspirational

We are insatiably curious and driven by innovation. We follow our taste buds and indulge our imaginations.

Think Progressively

We don't follow trends, we create them. We are always one step ahead of dessert desires.

Deliver Brilliance

Our desserts create moments and memories. We build lasting impressions and loyal consumers.

Stay Nimble

We are fleet of foot – known for swift turnarounds and inventive problem solving.

Work Collaboratively

We work in true partnership with our customers, exceeding expectations. Your success is our success.

Service First

We are steadfastly loyal to our customers – valuing relationships, privacy and impeccable service.

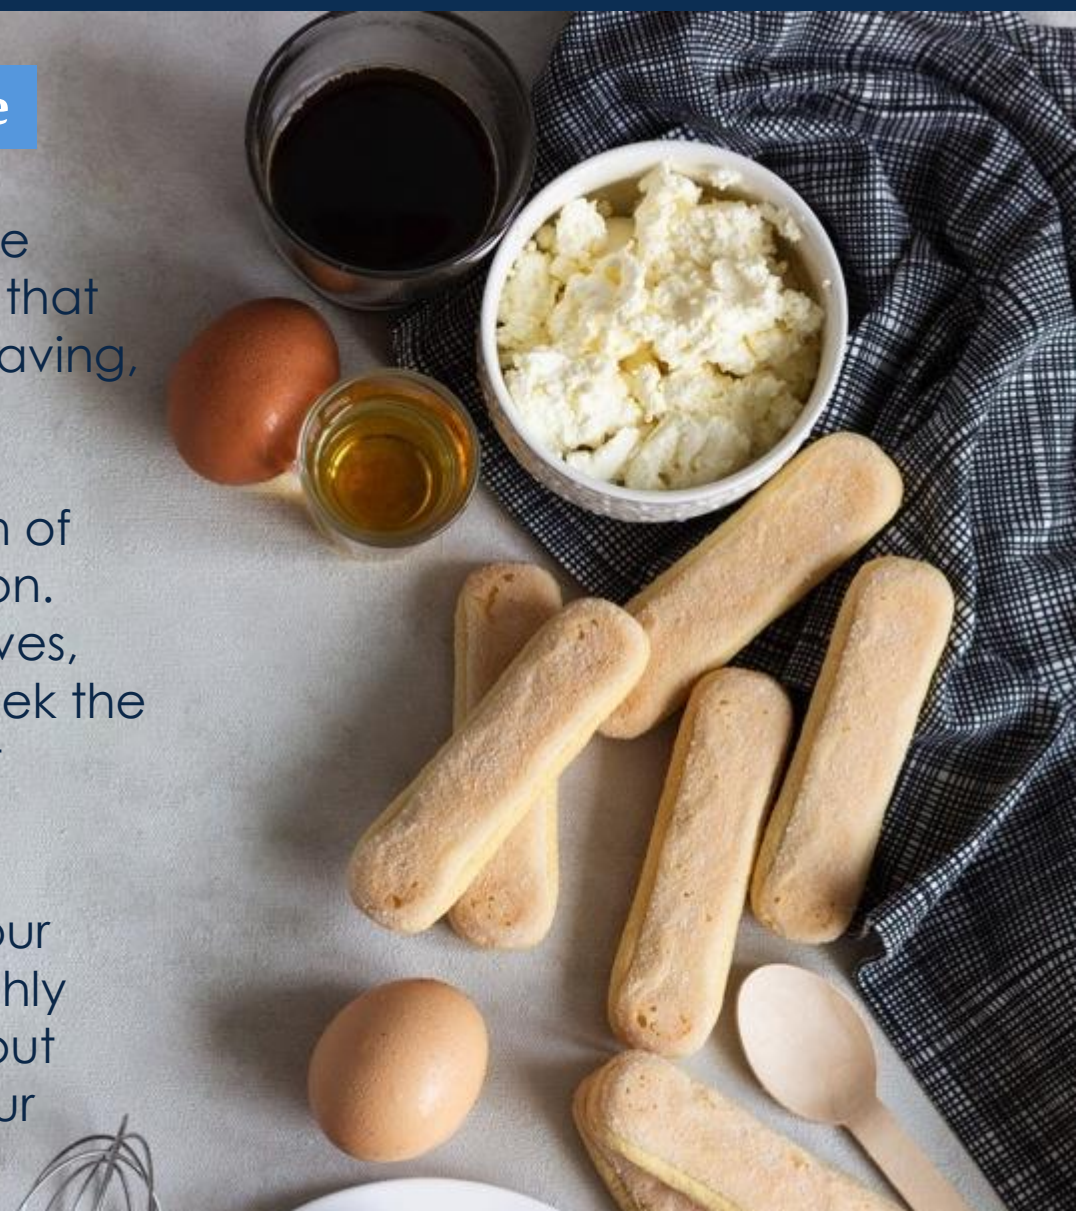

Ingredient Principles

We bake wonder into every bite

Each decadent, gloriously sublime dessert has taken a journey. And that journey begins with an idea. A craving, a spark, an inkling.

From an idea comes the creation of possibilities and product realization. Wonder makes us recipe detectives, traveling globally to scour and seek the best, the most exquisite, the most authentic ingredients.

Our long-term relationships with our carefully chosen suppliers are highly valued, and we care deeply about every ingredient that goes into our products.

Manufacturing & Distribution

- With state-of-the-art equipment spanning across **four manufacturing plants**, we have the craftsmanship and capability to make ***just about any dessert you can imagine.***
- Our extensive baking, frying and mixing capabilities **enable us to handle every type of job** – from short custom runs to large national and international rollouts for multi-unit operators.
- We **carefully select our ingredients** from around the world and mix them to tight specifications.
- All desserts are **pre-made and flash frozen**, offering the convenience of frozen with the home-style taste and texture of fresh.
- We have an extensive **distribution system**, through DOT, US Foods, Sysco, PFG, and many other distributors nationwide. *Note that **minimum orders** apply.*

Quality Assurance

We adhere to rigorous food safety and quality assurance programs to ensure product safety at all levels.

Meticulous care is employed throughout every stage of production – from raw materials handling and process controls, to laboratory testing and final inspection of finished goods

Our manufacturing facilities consistently achieve the highest levels on client and third party audits. We are HACCP certified, and awarded the esteemed **BRC Global Food Safety Initiative Certification** year after year.

***All of our items are trans-fat free.
Most are clean label and certified Kosher Dairy.***
